ENFORCEMENT BUREAU  
NORTHEAST REGION**

**New York Office**  
201 Varick Street  
New York, NY 10014

August 31, 2011

Fieldbridge Associates, LLC  
Brooklyn, NY

**NOTICE OF UNLICENSED OPERATION**

Case Number: EB-11-NY-0242  
Document Number: W201132380007

The New York Office received information that an unlicensed broadcast radio station on 106.5 MHz was allegedly operating in Brooklyn, NY. On August 19, 2011 and August 24, 2011, agents from this office confirmed by direction finding techniques that radio signals on the frequency 106.5 MHz were emanating from an antenna on the roof 1720 Bedford Avenue, Brooklyn, NY 11225. A check of property records show that you are the owner of this building. The Commission's records show that no license was issued for operation of a broadcast station on 106.5 MHz at this location in Brooklyn, NY.

Radio stations must be licensed by the FCC pursuant to 47 U.S.C. § 301. The only exception to this licensing requirement is for certain transmitters using or operating at a power level or mode of operation that complies with the standards established in Part 15 of the Commission's rules, 47 C.F.R. §§ 15.1 *et seq.* The field strength of the signal on frequency 106.5 MHz was measured at 13,138 microvolts per meter ( $\mu\text{V}/\text{m}$ ) at 596 meters, which exceeded the maximum permitted level of  $250\mu\text{V}/\text{m}$  at 3 meters for non-licensed devices. Thus, this station is operating in violation of 47 U.S.C. § 301.

You are hereby warned that operation of radio transmitting equipment without a valid radio station authorization constitutes a violation of the Federal laws cited above and could subject the operator to severe penalties, including, but not limited to, substantial monetary fines, *in rem* arrest action against the offending radio equipment, and criminal sanctions including imprisonment. (*see* 47 U.S.C. §§ 401, 501, 503 and 510).

**UNLICENSED OPERATION OF THIS RADIO STATION MUST BE DISCONTINUED IMMEDIATELY.**

You have ten (10) days from the date of this notice to respond with any evidence that you have authority to operate granted by the FCC. Your response should be sent to the address in the

letterhead and reference the listed case and document number. Under the Privacy Act of 1974, 5 U.S.C. § 552a(e)(3), we are informing you that the Commission's staff will use all relevant material information before it to determine what, if any, enforcement action is required to ensure your compliance with FCC Rules. This will include any information that you disclose in your reply.

You may contact this office if you have any questions.

Daniel W. Noel  
District Director  
New York Office
